

SCHEDULE WEBINAR SERIES and CLASSROOM COURSES

from 01-jan-2011 to 30-sep-2011

January					
12	IGG™	Introduction to IGG™: Interactive Block Structured Grid Generator for Complex Geometries	webinar series	09:00AM-12:00AM, CET	on-line
19	HEXPRESS™	Introduction to HEXPRESS™: Full Hexahedral Unstructured Grids for Complex Geometries	webinar series	09:00AM-10:00AM, CET	on-line
February					
14	MpCCI	Coupling structural analysis using MpCCI	webinar series	09:00AM-12:00AM, CET	on-line
22	FINE™/HEXA	Introduction to FINE™/Hexa: Powerful CFD for Complex Internal and External Flows	webinar series	09:00AM-12:00AM, CET	on-line
21-23	FINE™/HEXA	Introduction to FINE™/Hexa: Powerful CFD for Complex Internal and External Flows	classroom	09:00AM-05:00PM, CET	Brussels
24-25	FINE™/HEXA	Modeling Heat Sources, Combustion and Porous Media with FINE™/Hexa	classroom	09:00AM-05:00PM, CET	Brussels
March					
14-16	FINE™/TURBO	Introduction to FINE™/Turbo: Advanced CFD Technology, Focus on Turbomachinery Flows	classroom	09:00AM-05:00PM, CET	Brussels
15	AUTOGRID5™	Introduction to AutoGrid5™: The Automatic Structured Grid Generator for Turbomachinery	webinar series	09:00AM-12:00AM, CET	on-line
17	IGG™	How to mesh volutes?	classroom	09:00AM-05:00PM, CET	Brussels
30	AUTOBLADE™	Introduction to AUTOBLADE™	webinar series	09:00AM-12:00AM, CET	on-line
April					
06	FINE™/TURBO	Introduction to FINE™/Turbo: Advanced CFD Technology, Focus on Turbomachinery Flows	webinar series	09:00AM-12:00AM, CET	on-line
18-20	FINE™/MARINE	Advanced topics in Marine applications	classroom	09:00AM-05:00PM, CET	Brussels
21	HEXPRESS™/HYBRID	Advanced topics on Automatic Conformal Grids for Extremely Complex Geometries	classroom	09:00AM-05:00PM, CET	Brussels
22	MpCCI	Coupling structural analysis using MpCCI	classroom	09:00AM-05:00PM, CET	Brussels
22	CADFIX®	Introduction to CADFIX®	classroom	09:00AM-05:00PM, CET	Brussels
May					
04	FINE™/MARINE	Introduction to FINE™/Marine	webinar series	09:00AM-10:00AM, CET	on-line
11	HEXPRESS™/Hybrid	Introduction to HEXPRESS™/Hybrid: Automatic Conformal Grids for Extremely Complex Geometries	webinar series	09:00AM-10:00AM, CET	on-line
16-18	FINE™/TURBO	Introduction to FINE™/Turbo: Advanced CFD Technology, Focus on Turbomachinery Flows	classroom	09:00AM-05:00PM, CET	Brussels
19-20	FINE™/TURBO	Advances in Conjugate Heat Transfer and Unsteady Modelling using the Non-Linear Harmonic Method	classroom	09:00AM-05:00PM, CET	Brussels
June					
01	AUTOGRID5™	Managing ZR effects into AUTOGRID5™	webinar series	09:00AM-10:00AM, CET	on-line
08	FINE™/HEXA	Modeling supersonic flows FINE™/Hexa	webinar series	09:00AM-10:00AM, CET	on-line
22	FINE™/MARINE	Advanced topics in Marine Applications	webinar series	09:00-10:00AM, CET	on-line
July					
04-06	FINE™/DESIGN3D	Introduction to FINE™/DESIGN3D (including AUTOBLADE™)	classroom	09:00AM-05:00PM, CET	Brussels

August					
08	FINE™/MARINE	Introduction to FINE™/Marine	webinar series	09:00AM-10:00AM, CET	on-line
08-10	FINE™/MARINE	Introduction to FINE™/MARINE: Advanced CFD Technology, Focus on Marine applications	classroom	09:00AM-05:00PM, CET	Brussels
11-12	FINE™/MARINE	Advanced topics in FINE™/MARINE: Unsteady simulations including Seakeeping and CADfix	classroom	09:00AM-05:00PM, CET	Brussels
17	AUTOGRID5™	Training on Introduction to AutoGrid5™	training webinar	05:00PM-06:00PM, CET	on-line
September					
19-21	FINE™/TURBO	Introduction to FINE™/Turbo: Advanced CFD Technology, Focus on Turbomachinery Flows	classroom	09:00AM-05:00PM, CET	Brussels
22-23	FINE™/TURBO	Advanced topics in FINE™/TURBO: Turbochargers and Wind Turbines	classroom	09:00AM-05:00PM, CET	Brussels
22	FINE™/TURBO	Training on Modeling Turbochargers in FINE™/TURBO	training webinar	09:00AM-10:00AM, CET	on-line
October					
05	FINE™/DESIGN3D	Training on Introduction to FINE™/DESIGN3D	training webinar	09:00AM-10:00AM, CET	on-line
17	FINE™/HEXA	Training on Introduction to FINE™/Hexa	training webinar	03:00PM-04:00PM, CET	on-line
17-18	FINE™/HEXA	Introduction to FINE™/Hexa: Powerful CFD for Complex Internal and External Flows	classroom	09:00AM-05:00PM, CET	Brussels
19-20	FINE™/HEXA	Introduction to FINE™/Open and Workshop	classroom	09:00AM-05:00PM, CET	Brussels
November					
15-18	All	NUMECA User Meeting 2011	On-site	09:00AM-05:00PM, CET	Brussels
23	FINE™/MARINE	Training on Advanced Topics in Marine Applications	training webinar	03:00PM-04:00PM, CET	on-line
December					
07	HEXPRESS™/Hybrid	Training on Introduction to HEXPRESS™/Hybrid	training webinar	09:00AM-10:00AM, CET	on-line
12-14	FINE™/TURBO	Introduction to FINE™/Turbo: Advanced CFD Technology, Focus on Turbomachinery Flows	classroom	09:00AM-05:00PM, CET	Brussels
13	AUTOGRID5™	Training on Introduction to AutoGrid5™	training webinar	09:00AM-12:00AM, CET	on-line
15-16	FINE™/TURBO	Advanced topics in FINE™/TURBO: NLH and Cooling configurations	classroom	09:00AM-05:00PM, CET	Brussels

NOTE:

Follow up sessions will be organized upon participants request

Webinars and classrooms can be cancelled based on the status of registrations:

if there are no registrations and no indication of potential participants one week (for classrooms) or 2 days (for webinars) prior to the scheduled session.
